### **DETAILED ACTION**

1. This Office Action is responsive to communication filed on 06/02/2009.

#### ***Response to Amendment***

2. The proposed amendments to claims will not be entered because they would require further search and/or consideration. For example, claims 1, 15, and 17 now recite "such that only a portion of the content data recorded in the first format is checked by the checking means, said checking means comparing the predetermined time information from successive frames to determine start and end times for chapters of said content data". The previous underlined arrangements were not previously defined, thus making the amended claims more specific and necessitating further search/or consideration. Independent claims 1, 15 and 17 thus would require further search and/or consideration.

#### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ASHER KHAN whose telephone number is (571)270-5203. The examiner can normally be reached on 9:00 AM to 5:00 PM.
